 Alo Callan Philipstown.

Wishing a healthy and happy **New Year** to all our parishioners and blessings for the New Year 2017. Thanks for your support throughout the year and for your generosity and constancy.

Friday 6th **Feast of the Epiphany**, is a Holiday of obligation. Mass on Thur eve in Dunleer at 7.30 and on Fri in Dunleer only at 10am.

Mary, it was, who nourished the Son of God, who first knew who he was, who revealed him to the world in a stable, and at Cana of the saints. She has a true share with Jesus in his life and death: she helped him at the high offering of the sacrifice of the cross.

When the earthly crowds threaten and our salvation is in danger, let us remember that she dearly earned our liberation from every need.

Glory to God who sent this jewel of pleasing face; she is our way, our guide, our star, our friend in court. Our mother, our friend and our victory has been raised up to the heavens: no need for us to be fearsome or sad since Mary and her lamb are our protection.

(O Fiannachta)
